Networks Part 4

A collaborative group exhibition with Hafez Gallery, Jeddah

Opening 4 August 2026 at Katara Cultural Centre, Building 5, Doha

al markhiya gallery is pleased to announce *Networks Part 4*, the latest edition of its ongoing series of collective exhibitions developed in partnership with leading galleries and art institutions across the Arab world.

For this edition, al markhiya gallery joins forces with Hafez Gallery, Jeddah, to present a curated selection of works that reflects the richness and complexity of contemporary Arab art.

Founded in 2014 by cultural producer and philanthropist Qaswra Hafez, Hafez Gallery is headquartered in Jeddah — a city whose heritage as an ancient crossroads between East and West continues to shape its cultural identity. The gallery's mission to connect diverse civilisations through art and to promote the Arab art world globally makes it a natural partner for the *Networks* series.

The exhibition brings together a distinguished group of artists represented by Hafez Gallery: Abdelrahman El Shahed, Bashaer Hawsawi, Donia Al Shetairy, Sami Al Marzoogi, Ibrahim El Dessouki, Khalid Al Mutlaq, Lana Khayat, Mohammed Al Ghamdi, Raeda Ashour, and Sara Al Abdali. Alongside them, al markhiya gallery presents works by Qatari artists Hanadi Darwish, Mubarak Al-Thani, and Wafika Sultan.

Networks Part 4 celebrates the diversity of artistic expression across the region, fostering cross-cultural dialogue and deepening connections between creative communities in Doha and Jeddah.

al markhiya gallery looks forward to continuing to expand this participatory platform, building lasting relationships with galleries throughout the Arab world.
